

Amisha Singh

Second Year Software Engineering Student – Auckland, New Zealand

GitHub github.com/amisha-171 **Phone** 021 118 4959 **Email** amishas171@gmail.com **LinkedIn** bit.ly/3yt9QC4

EDUCATION

2021 – CURRENT **BACHELOR OF ENGINEERING (HONOURS) IN SOFTWARE ENGINEERING**

The University of Auckland. Graduating in November 2024. Current GPA of 8.083 (A average).

TECHNICAL SKILLS

- HTML, CSS and JavaScript.
- Java (Object-oriented programming).
- MATLAB, C and React.
- Git and GitHub for version control.

EXTRACURRICULAR

- **2022 – PRESENT** Prominent member of the [Software Engineering Student Association \(SESA\)](#), [Web Development & Consulting Club \(WDCC\)](#) and the [Women in Engineering Network \(WEN\)](#), contributing to various events.
- **2022** – Volunteer for Enginuity Day, run by WEN. This saw almost 200 high-school girls at Auckland University. Worked in teams and ran activities showcasing software engineering to inspire these youth.
- **2022** – Participated in a Unit Testing workshop at Nintex to further develop unit testing skills.

ACHIEVEMENTS & PROJECTS

- **2022 – SESA & WDCC Hackathon **BEST IN UX/UI DESIGN AWARD**** – Produced TaskFighter a gamified to-do list web app where you attack a monster when ticking off tasks to make productivity less boring. This was done in teams of six. The project is now ongoing and will be further developed and improved. Created using ReactJS.
GitHub Repo – github.com/luorixo/task-fighter Web App – task-fighter.netlify.app/
- **2022 – GirlBoss NZ We the Women Hackfest** – This event was the first of its kind, with a 30% acceptance rate from hundreds of applications from women all over New Zealand. Produced conceptual designs and UX/UI mock-ups for Note to Self, a mental health and wellbeing app to uplift and empower women, in teams of six people.
- **2022 – Personal Portfolio Website** – Created using HTML, CSS and JavaScript. Version control managed using git and GitHub. Currently still being developed and improved. Viewable on GitHub.

WORK EXPERIENCE

- **2021 – PRESENT **RETAIL SALES ASSISTANT (PART-TIME) / WHITCOULLS****
 - Focus on customer service. Role also involves tackling various jobs such as stocktake, shelf restocking and operation of two different point of sale systems.
 - Works well with colleagues and collaborates effectively each shift to reach sales goals and targets.
 - Gained strong teamwork and communication skills both with co-workers and customers.
